Product Guide
5th Edition 2019

Letter from M.D

Dear Client,

TRANSPower WLL, an ISO 9001 - 2000 certified is a subsidiary company of TRANDELTA STEEL WORKS WLL which is the Middle East arm of TRANSCON GLOBAL group in Europe engaged in the manufacturing of the entire range of cable support systems. Transpower is functioning as a marketing agency as well as the distributor of all DELTA Products in Qatar Region. In order to cater to the needs of the construction industry of Qatar, Transpower supplies all ranges of cable support systems and very keen to provide the customer quality products at a reasonable price. We are supported by the Production line from MALAYSIA & TURKEY, UAE, QATAR, OMAN. As usual we lead the path in new development in Cable Management System in GCC.

Our Design department in coordination with production department is consistently trying to develop still optimal design which will make installation faster as well as aesthetic. It has been manufactured fully complying with latest editions of accepted International Standards. We look forward to receive your active support and constructive criticism in this new venture.

Yours Sincerely

Chris T. Ruddle

Managing Director
